A FORGOTTEN HOPE.
Otto J. Doesburg, proprietor Holland City News, Mich., writes: "A bad cold settled on my side and back, kidney trouble, liver and rheumatism combined; I suffered terribly, though was obliged to move about and attend to business. I tried local doctors, but received no relief, and as a forlorn hope I tried your Thomson's Electric Oil; have only used half a fifty-cent bottle, and feel as well as I ever did in my life."

Some would-be dyspeptic look on with disgust at the rhymes of the Thomson's Electric Oil. But we have the best article known to the world. And intend that all persons shall know it. It cures coughs, colds, asthma and catarrhs. Bronchitis and complaints of that kind. It does not cost much, though rheumatism it cures.

THE best oil in the world you can find. 25

At the morning service at the First M. E. church on Sunday, Rev. J. P. Dimmitt delivered an impressive and very pointed discourse on "Regeneration," or the personal knowledge of converting power, which was supplemented by a short talk by Rev. Harrison.

THE 900 JUBILEE.
The jubilee service over 900 converts was held at 3:30 o'clock, when about 20 united with the church on probation.

AT 7 o'clock last evening the doors of the church had to be locked, so great was the crowd that came from every part of the city and from country districts. Fully 500 people were turned away. The services began without any exhortation by Mr. Harrison. He said he felt and could see that the people were anxious to press forward, and after a short prayer and a few words having special reference to the deep interest manifested, the altar and front pews were vacated. In a few moments there were thirty to forty seekers coming forward. In all there were 56 penitents kneeling, 23 of whom were new seekers. During the evening there were about 29 conversions. One of the converts was a young married man whose wife was converted Friday night. He seemed to have a hard struggle, but he pulled through and appeared so happy that he embraced his wife and all his acquaintances. For a time after he had sat down he acted like one in a trance, and to all appearances he was like one completely exhausted. In a short time his aged father and mother stood in front of him, and the son jumped up with a happy exclamation and embraced both as if he had not seen them for a long time. One young lady who had been at the altar 16 times was quickly converted. The usual revival services will be held every night this week, except Saturday. This is the 10th week of the meetings. On Feb. 8th the grand jubilee over 1,000 converts will be held.

THIS forenoon Rev. Dimmitt's study was crowded with serious men and women who had gone there to talk with the pastor. A brief prayer service was held.

COMMUNION service was held at the Presbyterian church on Sunday forenoon, conducted by the pastor, Rev. W. H. Prestley. During the service 37 persons united with the church, about 25 by profession of faith.

CHURCH NOTES.
Another religious revival was inaugurated in Decatur Sunday night. It commenced at the United Brethren church, there being present a large congregation. Rev. Trueblood is in charge. A very interesting service is reported. Quite a number of persons in the congregation arose for prayers.

THE protracted meeting at the Christian church has been in progress for two weeks, and will be continued every afternoon and evening indefinitely. Elder Pinkerton is in charge. The congregation was so large last night that the doors had to be locked to prevent a crush. There have been eight additions to the church in two weeks.

THERE were 507 persons in attendance at the First M. E. Sabbath School Sunday afternoon.

THERE was an overflow at the Baptist church last evening, when Rev. C. E. Roberts preached an excellent discourse.

AMUSEMENTS COMING.
TWO NIGHTS OF COMEDY.
The roaring comedy, "Nip and Tuck," will be given at the opera house on Wednesday evening by the Harry Webster combination, than which there is none better on the road. The company needs no press testimonials. It is a good one. On Thursday night the new comedy, "Pint and Steel," will be presented in Decatur for the first time by the same troupe. Popular prices.

ON Saturday night the great rib-tickling creation, known far and wide as "Sam'l of Posen," will be given by the M. B. Curtis company. Secure seats for the three entertainments.

THERE is no need to dilate upon the merits of "Hazel Kirke." Every year this play, instead of diminishing, seems to be additionally attractive to the public. The company which will present this play here shortly is sent from the Madison Square Theatre. The 1750th performance of this great drama was celebrated by the company in San Francisco on Sept. 18th. Special new scenery will be carried by the troupe.

PROB. JOURNAL.
The boy preacher, is still stirring the indignity at a great rate in the city of Decatur. The other night he plucked twenty sons as brands from the burning. Very soon he will run out of material at his present rate, but his figures of a thousand converts do not seem to be overstated. We congratulate the good brother on his success. The Journal is a queer paper. The other day it contained a long article belittling the efforts of the young evangelist.

A RETAIL dealer in fruit in New York was selling strawberries last week at twenty-five cents each berry, or at the rate of \$10 a quart. They are sold in little baskets holding from four to a dozen berries. Purchased at this rate a bushel would cost \$320. This week the same dealer expects to have peaches which will sell for \$3 each.

A NUMBER of arrests on bench warrants have been effected by the sheriff. Two Macon druggists have given bonds in the sum of \$300 each for their appearance in court from day to day. They are indicted for selling liquor without license.

THE remains of the infant son of Mr. and Mrs. John Wilson were interred at Mt. Zion this afternoon.
